

Addendum:

To date 9/27/21 I have not been arraigned in Superior Court, Yet I somehow have a discovery from Van Epps with the title of "Superior Court Criminal action No 2181 Crosser". This

is obviously a violation of due process the theme of the Commonwealth's malicious prosecution of me based on my national origin.

Middlesex Superior Court of

I have seen no indictment from Superior Court to date, and the case in Malden District Court has gone past my right to speedy trial, resulting in prolonged jail time to which I almost lost my life in jail today.
